Boffed AGAIN & AGAIN

I was probably the only girl in town who was glad that summer vacation was over. On the last day of my summer job, I showed up wearing an old pair of my mother's short-shorts from the late 1970s, the kind that show the bottom undercurve of a tight 19-year-old ass. Rob, my 45-year-old supervisor, stared at me in shock as I waltzed into his office. I'd hoped that the vintage short-shorts would re-awaken memories of his own youth, because Rob was still red-hot, with one of those heavily muscled bodies, which he kept in shape on special machines.

"In case you're wondering why my butt is hanging out of my pants, it's because it's my last day on the job and you're not my boss anymore," I said. "Now that it isn't sexual harassment, why don't we get on the floor and fuck like a pair of out-of-control bunny rabbits?"

Rob's jaw dropped as I strip-danced out of my top to reveal that I didn't have a bra on. My firm, young titties were as hard as unripe cherries. I stroked my own nipples, double-checking them for stiffness, then playfully kicked off my shoes. As he rose from behind his desk, I began to wiggle my way out of the form-fitting shorts. They'd been way too tight to allow me to wear underpants, of

course. When I was naked, you could still see the faint red outline of where the short-shorts had hugged my tender pink slit.

"Oh my god," he whispered. His obvious astonishment didn't stop him from falling into my naked arms, though. My hands grabbed at his firmness through the layers of clothing. When I pressed my entire body against his, I could feel the urgency in his erect prick. Wow! It was at least nine inches long, I guessed, and maybe longer. And I could just measure the heat waves coming through the fabric.

Awesome!

"Strip, lover," I begged him. "Come on, I'll help you."

Of course, at 19, I had to pretend to be a lot more experienced than I actually was. Rob would have probably run screaming for his life if he'd known that I'd had only two boyfriends. As it was, he was shaking a little as I pulled off his clothes to get at his prick. Within minutes, we were both down on the carpet, where it wouldn't matter if we got weak in the knees. I pursed my lips and slurped the rounded head of his huge ding-a-ling toward the back of my throat. An enormous prick feels even bigger and better when I'm measuring it with the inside of my mouth.

Despite his surprise, Rob wasn't breathing too heavily. Thanks to his many hours in the gym, he could easily hunker down and apply a controlled, experienced mouth to the sticky folds of my trembling pussy. We were 69ing almost before I realized it—and, man, did it ever feel wonderful.

At first, I held my hips still, because I was used to guys who were afraid of licking too much at once. As I got

more excited, however, I let myself go and began to wiggle my butt all around the carpet. Rob seemed to enjoy my powerful reactions, to judge from the way he shoved the length of his tongue into my thundering love-slot. Hot spit ran from the corners of my mouth as I eagerly fed on the fine, fat wand of his overgrown wienie.

I came quickly. Since my mouth and my pussy were both quivering when I did, I was amazed that Rob didn't spurt off instantly in response. He chuckled softly and pulled himself, still hard, from between my open, panting lips.

"At my age, a man isn't as trigger-happy," he said. "But you'll appreciate that when I slide downstairs."

"Oh yes," I gasped, lying down flat, with my legs

spread almost as wide apart as a cheerleader's in mid-split. The feel of the slight strain in my thigh muscles felt as erotic as a direct caress, because I was opening myself for this experienced older man. "Take me," I begged. "Take me now. I'm wide open and ready for everything."

He stroked easily between my legs, without the fumbling sensations that I'd had to deal with guys close to my age. When he was locked into place on top of me, I curled my legs tightly around his waist to hold him into position. Then the largest, most skilled, and most muscular lover I'd ever had proceeded to rock and roll me like I'd never been rocked before. Again and again, the head of his prick connected with the back wall of my stretched-out pussy-hole. We fit so tightly that I could actually feel the swollen veins in his stalk pressing hotly against my internal flesh.

"Faster, harder!" I cried out, just to hear the nasty words, because he was going fast and hard already. I'd tensed during the first few seconds of the fuck, half-fearing that he'd come in less than five minutes, like my previous partners had. Rob just laughed and corkscrewed himself around and around inside me. His confidence was contagious. He knew that he wouldn't spew in less than 15 or 20 minutes, and soon I knew it too. Relaxing into the delirious sensations, I let my consciousness be totally swallowed up by the mind-shattering experience of the best fuck of my young life.

The great thing was, when I started to come, I didn't have to stop. Rob didn't explode right away. He just kept thrusting in and out, in and out, in a steady rhythm that lifted me straight from my first climax to my second—and then into a series of multiples that wiped my poor pussy right out. I lost count after my eleventh or twelfth explosion, but I know that I came a double digit number of times. When Rob finally did join me, it was like fireworks had gone off all over the office. I'd lost a boss...but I'd gained one hell of a stud.

GOOD STUDY HABITS

One Saturday afternoon I was sitting at my desk trying to get this damn studying finished so I could watch the game. The TV was blaring in the background and it was getting harder and harder to concentrate. Game time was only ten minutes away and I kept peeking over waiting for it to begin. Suddenly, there was a knock on my door. I don't get too many knocks on my door as most students tend to keep to themselves and their friends. So I go over and look through the peep hole and there was Edie, the blonde nursing student I had fucked last week-

end. She lived in the building but up several floors.

I opened the door and said 'hello.' I was about to close it when Edie says "I hope you don't mind, but I brought Rochelle over." Rochelle walks over to the doorway and offers her hand to shake, which I do. I gently pull it, and her, into my place with Edie. They look around and sit on my sofa.

Edie was fun and loved to give head. Nonstop for hours. Rochelle seemed interesting. She had a tattoo sleeve on her left arm and probably elsewhere, I'm guessing. They both were dressed in t-shirts with band names on them – and jeans. Edie was little taller, but

Rochelle had a bigger chest, and obviously not wearing a bra. Neither were. I had seen Rochelle around campus a few times, always looking quite studious.

I offered them both a drink. Edie wanted a beer and Rochelle some wine. Fortunately, I had each and grabbed a beer for myself. I turned down the television still hoping to catch some of it.

I sit down on the chair next to the sofa and ask, "So, ladies what brings you here today.

Rochelle answered simply, "We want to study and need to fuck. Not necessarily in that order. I nearly choked on my beer.

Edie blushed at Rochelle's directness but laughed and said "Cock. Baby we came for your cock. I want something other than Rochelle's pussy." Rochelle laughs.

"Edie, you didn't say anything last time that you were a muff muncher. How long have you two been doing each other?"

Edie laughed and said, "Since the beginning of the semester. I had never had a girl before, but she was hot and I was horny, so, long story short, we've been at it since then. Rochelle then added, "Edie told me how nice your cock is and every now and then, I'd like one.

Without hesitation, I dropped my beer on the coffee table, stood up and grabbed each of their hands and led them to the bedroom. I sat Rochelle on the bed and pulled her top off. Her skin was quite fair, but she had perfect boobs. A perfect C cup. Her tat stopped at her shoulder and I noticed a small fairy just above her right nipple. Quickly I stripped off my clothes and noticed that Edie had fully stripped as well. I laid Rochelle back and pulled off her jeans. She was wearing a thong and I just pulled it aside. She was totally bald and her pussy was puffy and wet. I couldn't resist licking her pussy as Edie was kissing her and rubbing her breasts. I was fingering her pussy with two fingers and found her g-spot. She came twice – very intensely.

I positioned my cock between her legs and rubbed it on her wet pussy. I slowly pushed in and she gasped. When I got halfway in she groaned and with that I pushed in deeper. When I got in balls deep she was really moaning loud. Edie was behind me, rubbing my balls and Rochelle's pussy through my legs. When I got to the point of cumming I pulled out and blasted my load all over her perky breasts.

I laid back and rested for a bit but it didn't take long for me to get hard again. Edie got on her hands and knees and I entered her doggy style. She has such a nice ass that I couldn't resist working my finger in there as I fucked her tight pussy. "That feels so naughty, I love it." Rochelle got on her knees next to Edie and put the tip of the vibe at Edie's puckered hole. Edie came with a scream and collapsed on the bed. We snuggled and rubbed each other. Rochelle especially liked rubbing and stroking my cock and balls, occasionally getting a closer look at it. We got up an hour later and decided that studying was not on the docket today.

When the party ended, he asked for my number and the very next day he called me asking if I wanted to come over and watch some football games. I politely declined, having made plans. But I told him that I'd see him the next day and he could come watch games with my friends. He accepted and when he came over, there were no friends of mine there. I apologized with a wink and we watched games all afternoon and screwed all night. What a way to start a new friendship!!!

AUTUMNAL LUSTS

A job transfer brought me to New England during the first week of autumn; within a week, the season had trans-formed the foliage of my new town into a collage of nutmeg brown, apple red, and sunlit yellow. Every journey outdoors was a treat for the senses.

Unfortunately, being surrounded by so much natural splendor only made me more aware that I had no one to share it with. Every time I passed a couple frolicking in a soft pile of leaves or sauntering past a pumpkin-strewn road with their arms around each other's waist, my determination to find a woman for myself intensified. My relentless masturbation barely took the edge off.

When I heard about an upcoming nature walk for single lesbians, I rushed right to the sports shop to buy a pair of hiking boots and a backpack! The group was scheduled to meet on the shore of a stunningly beautiful lake.

Muscles rippled all over her compact body, which seemed as taut as a coiled spring.

It was a perfect afternoon, a warm Indian summer having pushed the temperature up to almost 70 degrees. I was almost unbearably horny, and I chose an outfit that showed my body off. My firm breasts bounced free under my pink cotton tank top, and my high-cut denim shorts displayed my muscular thighs, which I worked hard to keep in shape. I also made sure to arrive early, determined to get first crack at any promising prospects.

As it turned out, in spite of the balmy weather—or perhaps because of it—only one other hiker showed up. The attractive woman, who introduced herself as Darryl, had very short, reddish-brown hair, the color of the turning leaves. Muscles rippled all over her com-

pact body, which seemed as taut as a coiled spring. I had a feeling from the way she looked me over that I had already gained her approval.

She worked in a local insurance firm, she explained, and had founded the hiking group herself, in hopes of meeting women who shared her athletic interests.

“Well, I guess you’ll have to settle for just me,” I joked, arching my back a little so my nipples popped up like two fingertips under my top. Darryl smiled admiringly at me. What happened after that, I suppose, was inevitable.

We had hiked about a mile up the mountain when Darryl suggested we find a secluded spot and take a break. We sat, sipping from our canteens and admiring the breathtaking scenery. I slurped at my water bottle more energetically, my tongue still parched for a taste of honey.

“Beautiful, isn’t it?” Darryl asked, flashing me a winning smile

that made my aching pussy flutter. “Makes you want to chuck it all and just get close to nature for a while,” she said, shifting her rear end enticingly. “You look like the adventurous type, Jes. There’s a great secluded trail over there. Ever take a foliage hike in the nude?”

It was really the last thing I’d expected her to suggest, but I was intrigued enough to agree. Darryl stood up and opened her backpack, her excited eyes never leaving mine, and began to strip while I stared appreciatively.

Naked, Darryl looked like one of the rugged little pine trees that stood sentry beside us. Her firm chest, chiseled legs, and triangle were all dusted with a downy mat of hair the same color as the dried needles at our feet, and her pink clit was large enough to poke through her pubes. I was secretly glad for the cue to strip myself, because the sight of her standing there like that made me remember what I had been missing.

“Be sure to watch out for brambles,” Darryl said helpfully, and the

two of us set off on our naughty nature walk.

To my surprise, being naked under the clear, open sky was almost as much of a turn-on as watching Darryl stroll alongside me. The crisp, fresh air tickled my exposed pussy like playful fingers, and the sunlight glittering through the trees warmed my skin like a lover held close. Before long, my clit was so hard that it felt like I’d gotten a pebble from the trail lodged between my pussy-lips.

Finally, it was time to admit that I was no longer looking at the leaves, and I was pretty damn sure she wasn’t, either. Abruptly cutting away from the trail, I plunked myself down under a tree with my naked legs spread wide. I slipped my fingers through my wet pussy hairs and cocked my head in determination.

“So what’s the story with you?” I challenged. “Are you going to give my pussy some satisfaction, or what?” I settled my back against the birch tree, which was smooth enough that the bark didn’t bite into my bare skin.

A long moment of silence stretched between us. Then Darryl’s cherubic face broke into a wide grin. “Sure, I’d love to. Thought you’d never ask.” Without further ado, she put down her pack and got down on her knees in front of me. I moaned as she slid her fingers into my wet bush. She murmured happily as she burrowed her face between my pulsating thighs, inhaling the powerful scent of my arousal. By then, my juices were flowing so fast that the aroma filled my nostrils, too, edging out the earthier smells of the trail.

I moaned when she started circling her tongue over my aching pussy, tormenting me by lapping at only the outside of my swollen lips. Now and then the point of her tongue snaked out and brushed against my protruding clit, making me shudder so deeply that the tree swayed behind me.

I couldn’t stop myself from crying out when Darryl finally parted my cleft with her lips and burrowed her tongue deep inside my steamy folds. I moaned and hunched my

hips forward, feeling her licker skid through the fluids that had gathered around my hole. It felt like my nipples had inflated to the size of pine cones from the strength of the lust flowing through me.

Meanwhile, her free hand reached to feel up my tits. I tilted my head back and gazed up at the dazzling display of colored leaves above. They seemed to contract and then blur, spinning like a kaleidoscope as my senses yielded to the waves of pleasure rolling through me. As her fingers roved over my rigid buds, pinching and twisting, I grew desperate for a feel of that hot pleasure-patch between her legs. The position we were in made it impossible for me to get at her, so I began sliding down the tree toward the ground.

Eventually I rolled into a 69 position, my arm splayed out beneath her thighs. Her wet pussy was still too far away for me to lick, but I could feel it drooling hot sauce down over my wrist. I shifted my hips a little, nudging close enough to slide my hand against her bush.

I started rubbing her wet folds with my fingers and trying to slide them inside her, but every time she'd move a little, I'd lose my grip. Her elusiveness was driving me crazy, but I was careful not to move too far. After all, I had no intention of dislodging Darryl's deliciously flicking tongue from my own pussy!

"Mmm, yeah, right there," I moaned, as her tongue polished my pearl harder. Finally I managed to get two of my fingers on her puffy, distended clit and smiled as it palpitated to the touch. I manipulated the fine skin as Darryl lurched against me with a loud groan, allowing me access to her hot slit. My thumb slid in slightly, and then I massaged both of her erogenous zones with new mobility. I saw her nipples stiffen with each clit-stroke I landed on her most sensitive area.

"Oh, yeah," I moaned as Darryl went to work flexing my clit back and forth with her tongue. My syrup was flowing down my legs like sap from a maple tree, and she was slurping it up as fast as it came. "I think I'm just going to come—"

"Well, we can't let that happen yet," she joked, attempting to protract my pleasure. I could feel the imprint of her smile against my bush as she pulled back, leaving only her lower lip melded to my clit. My pussy started doing flip-flops, trying to recapture her talented tongue.

Currents of ecstasy were racing up and down the length of my body with such ferocity that I could barely keep my balance. "Jes, put your fingers inside me deeper," she gasped, moving her hips closer to my grip.

I hastened to comply, driving inside her with avid enthusiasm. I switched my fingers around and left my thumb on her clit while my forefinger and my middle finger glided half-way into her drenched pussy-hole. This hastened my own climax, which motivated me to push into her all the way to the ends of my fingers and then over again until my thrusts became rapid and deep. She moaned louder with each of my finger-fucks.

Darryl reciprocated, cupping my ass in her right palm and po-

sitioning her other hand to enter me. I could hear her rapid breath in my ear as she leaned in close and slid her left hand down between my legs, poking her fingers up into my wet slit.

“Mmmm, yes,” I moaned, my pussy igniting with the twin sensations of her hand and mouth rubbing it nearly raw.

While Darryl continued to tongue my clit, she pushed upward until she was rummaging around in my hole. When she’d worked up enough juice, she started stroking backward, slicking my whole crease up with that gooey pussy-sauce. Finally she parted my cleft with her thumbs, massaging the rim of my hole while she stretched it wider and settled at least three fingers against the hot opening. My whole body spasmed with excitement. Her warm, spreading fingers massaged my deepest regions. That exquisite sensation, combined with Darryl’s energetic tonguing, soon had every muscle in the lower half of my body shuddering and clenching.

I balanced myself with my arms, tilting my groin between Darryl’s rigid fingers and her thrusting tongue. I was crying out freely now, swinging back and forth on the branch while the two of us thrust and groaned and ground our sweaty flesh together under the sparkling canopy of the sun-drenched leaves. Darryl released my nipples and slid her hands down to rest on both my hips, so I went at her clit harder, stretching it out and then pushing down on it. I ground myself against her mouth as she sucked in a deep breath and dived on my pleasure-button with renewed vigor.

Before too long, I was coming—and coming hard. My hips twisted and rolled; my spasming pussy clutched at Darryl’s forceful fingering; and my clit seemed to strike sparks against her full mouth. She strained forward on her knees, pushing her face against me, riding my mound until my pussy-lips convulsed. I felt a glob of my sticky fluid roll onto her tongue, and felt her lips curve into a smile as she began sucking me dry.

At the same time I fucked her with my stiff fingers even harder until we were both coming together. Then the explosions began. I shoved harder into her face and pussy. Darryl pushed back even more intensely. We screamed and clawed at one another over and over, totally immersed in our lusty pleasures. The moment was at once endless and much too short. Finally, she nestled her head between my thighs and gasped for breath. We sat together for a long time, my thighs and torso dripped with Darryl’s sweat and my own juices.

“This has been a beautiful day,” I murmured, taking a handful of leaves and letting them drop, fluttering, over my swollen nipples. They drifted between my legs, the juice there making a few of them stick to my skin.

Darryl reached over to brush them away. As she did, she snaked her fingers through my pussy hair. “Wait till we go cross-country skiing together,” she beamed. “It just so happens that I know a great, ‘private’ trail for that, too.”

She strained forward on her knees, pushing her face against me, riding my mound until my pussy-lips convulsed. I felt a glob of my sticky fluid roll onto her tongue, and felt her lips curve into a smile...
